INVITATION FOR EXPRESSION OF INTEREST (EOI)

EXPRESSION OF INTEREST FROM EPC CONTRACTORS FOR 9 MMTPA  
COAL WASHERY AT MANOHARPUR CAPTIVE COAL MINE OF OPGC IN  
THE STATE OF ORISSA, INDIA

Orissa Power Generation Corporation (OPGC), a joint venture company of Government of Orissa and AES Corporation of USA is setting up thermal power plant at Ib Valley Thermal Power station, Banharpali in the district of Jharsaguda, Orissa of 2400 MW capacity to be implemented in two stages. The power plant has been allocated a captive coal mine at Manoharpur and Dip side Manoharpur in the district of Sundargarh, Orissa. The power plant and coal mine are obtaining necessary permits and land acquisition of coal mine is in process. Coal to the power plant will be transported by a dedicated merry-go-round rail system.

The shortlisted Bidder(s) shall be responsible for the basic and detailed Design configuration, engineering, manufacturing, procurement, inspection, testing, supply, packing, forwarding, transport, erection, commissioning, performance testing, putting into operation and handing over of the complete Coal Washery on a turnkey Engineer, Procure and Construct (EPC) basis.

EOI submission by Bidders must include as a minimum following details.
1. Details of washeries in different projects already executed and working with clients’ names, location, throughput capacity, coal grade, process used, improvements achieved for ash reduction and GCV.
2. Details of any collaborators for manufacturing and technology.
3. Performance certificates from Clients.

Interested parties should submit their EOI at the given address below on or before 5th June, 2009. OPGC reserves the right to accept or reject, at its sole discretion any or all EOIs without assigning any reason whatsoever.
