REQUEST FOR PROPOSAL (RFP) FOR “EPC OF 50MW_{AC} SOLAR PV POWER PLANT” AT IBTPS OF OPGC, JHARSUGUDA, ODISHA **NIT NO. OPGC/SOLAR/EPC, DATE: 25TH AUGUST 2025**

CORRIGENDUM NO. 03, DATED 22nd OCTOBER 2025

SL	Reference	Existing Clause	Revised Clause
1.	Clause 4.0 of ITB to RFP 4.1 (TQR)	4.1. Technical Qualification Requirement (TQR) a. The Bidder should have successfully completed similar works during last 7 (seven) years prior to the Proposal Submission Date as follows: i. Three (3) similar completed works each costing not less than the amount equal to INR 43.0 Crores; OR ii. Two (2) similar completed works each costing not less than the amount equal to INR 53.0 Crores; OR iii. One (1) similar completed work costing not less than the amount equal to INR 86.0 Crores. <u>[Each similar completed work should be executed against a single contract. Bidder to submit the completion certificate with cost of completed work of respective Contract against each completed work.]</u> b. One (1) of the above reference completed works (4.1.a) must have been in successful operation for at least one (1) year prior to the Proposal Submission Date.	4.1. Technical Qualification Requirement (TQR) <u>The Bidder (as single entity) or a Consortium (maximum two members) shall qualify the Technical Qualification Requirement by meeting either Clause 4.1.1 or Clause 4.1.2.</u> 4.1.1. (a) The Bidder should have successfully completed similar works during last 7 (seven) years prior to the Proposal Submission Date as follows: i. Three (3) similar completed works each costing not less than the amount equal to INR 43.0 Crores; OR ii. Two (2) similar completed works each costing not less than the amount equal to INR 53.0 Crores; OR iii. One (1) similar completed work costing not less than the amount equal to INR 86.0 Crores. <u>[Each similar completed work should be executed against a single contract. Bidder to submit the completion certificate with cost of completed work of respective Contract against each completed work.]</u> (b) One (1) of the above reference completed works (4.1.1.a) must have been in successful operation for at least one (1) year prior to the Proposal Submission Date.

SL	Reference	Existing Clause	Revised Clause
		Note: A. <u>Similar work</u>, shall be the work related to design, supply, erection, installation, testing & commissioning of Solar Photo Voltaic (SPV) grid connected power plant(s) in India. The SPV plant shall be any or all of the following installations: - Ground Mounted SPV - Roof-top SPV - Floating SPV B. For arriving at cost of similar completed work, the value of similar previous works executed shall be brought to current costing level by enhancing the actual value of work at simple rate of seven percent per annum, calculated from the date of completion to the Proposal Submission Date. C. Percentage (%) share of each similar work experience in case the experience has been earned by the consortium members in a previous consortium/JV arrangement, then the proportionate value of experience in proportion to actual share of member in that Consortium/JV will be considered against eligibility of a consortium member or individual Bidder. D. In case of consortium arrangement (consortium consisting of only two members), the above Technical Qualification Requirement can be fulfilled in the following manner: 1. In case of completion of three similar works – - Any one consortium member can match the above requirement. OR - Both the consortium members shall collectively match the above requirement through completion of at least two works by one member and one work by other member. 		4.2.2 Net Worth Net Worth of the Bidder and individual Consortium Members should be positive as on the last day of the preceding financial year on the Proposal Submission Date.	4.2.2. Net Worth Net Worth of the Bidder and individual Consortium Members should be positive as on the last day of the preceding financial year on the Proposal Submission Date. 4.2.3. Bidder or any of the Consortium Members must provide banker's certificate from RBI listed Schedule Commercial Bank meeting the Solvency certificate to the tune of INR 40 Crores as on the Proposal Submission Date.
3.	Clause no. 7.1.4. of the ITB	Price Determination Process and Selection of Preferred Bidder OPGC shall notify the Qualified Bidders about the Price Proposal Opening. OPGC shall open the e-Tender Price Proposal of the Qualified Bidders only and conduct the e-Reverse Auction thereafter. If there are more than five Qualified Bidders, only five lowest Qualified Bidders, ranked as L1, L2, L3, L4 and L5 based on the Total evaluated Price with L1 being the Qualified Bidder quoting the lowest Total evaluated Price and arranged in ascending order of the Total evaluated Price for other ranks, shall be allowed to participate in e-Reverse Auction. All other Qualified Bidders, whose quoted Total evaluated Price is higher than that of Qualified Bidder with rank L5, will be rejected from further considerations in the tender process/reverse auction. OPGC shall use the lowest Total evaluated Price determined or any other price or estimated price (OPGC reserves the right) as the start price for the e-Reverse Auction. OPGC will conduct reverse auction through MSTC Limited ("Service Provider") portal and will notify the detailed process for participation. For participating in the reverse auction process, the Qualified Bidders (with rank L1 to L5) will have to register and pay necessary fee	Price Determination Process and Selection of Preferred Bidder OPGC shall notify the Qualified Bidders about the Price Proposal Opening. OPGC shall open the e-Tender Price Proposal of the Qualified Bidders only. The Qualified Bidder quoting the lowest Total evaluated Price in online e-tendering Price Proposal shall be declared as Preferred Bidder. Save and except as provided in this RFP, the OPGC shall not entertain any correspondence with any Bidder in relation to the acceptance or rejection of any proposal.

		prevailing at the time of e-RA to participate in the Reverse Auction through Service Provider. Those five lowest Qualified Bidders will be required to quote Total Price on the reverse auction electronic platform. Total Price shall be the sum of the prices (inclusive of taxes duties etc.). Bidder quoting the lowest Total Price in reverse auction on the electronic platform shall be declared as Preferred Bidder. OPGC, in its sole discretion, may decide to select a Qualified Bidder, quoting the lowest Total Price determined from Sealed Price Proposal, as Preferred Bidder without conducting the reverse auction. As OPGC may decide not to conduct the Reverse auction, therefore Bidders are advised to submit their most competitive price in the Price Proposal Submission. In such a case, the Bidder will not be allowed to revise its Price Proposal for any reason whatsoever. Owner reserves the right to repeat the e-Reverse Auction. If, OPGC decides not to conduct the reverse auction or in case there is no bid received in reverse auction, the Qualified Bidder quoting the lowest Total evaluated Price in Sealed online e-tendering Price Proposal shall be declared as Preferred Bidder. The Preferred Bidder will be decided on L1 basis on the Total Price determined in accordance with above provision. Save and except as provided in this RFP, the OPGC shall not entertain
