### **Expression of interest (EOI)**

Expression of interest (EOI) for “Supply of ash (Fly ash & Pond ash) free of cost from OPGC, IB Thermal Power Station At Banharpali, Jharsuguda, Odisha”

#### **1. Brief Introduction:**

**Odisha Power Generation Corporation Ltd. (OPGC)** is a Government Company of the State of Odisha. It operates two units of 210 MW (Unit # 1 & 2) and 2 units of 660 MW (Unit # 3 & 4) at IB Thermal Power Station (ITPS), Banharpali. Approximate 3200 MT of ash is generated daily for power generation from unit #1 & 2 (2x210 MW), and approximate 8000 MT of ash is generated daily from unit # 3 & 4 (2 X 660 MW) at ITPS. Coal ash produced in the plant, are disposed in slurry form for deposition in the ash ponds. ITPS has both wet ash disposal system as well as dry ash disposal system for handling fly ash & bottom ash.

#### **Basic information:**

<b>Plant capacity:</b>	<b>Total ash disposal per Annum</b>
2x210 MW (Unit 1&2)	10.5 Lakh MT (Unit 1&2)
2X660 MW (Unit 3&4)	28 Lakh MT (Unit 3&4)

The plant is situated at a distance of about 35 Kms from Jharsuguda

**Location:** Orissa Power Generation Corporation Ltd (OPGC)

Ib Thermal Power Station (ITPS)

Banharpali, Dist.-Jharsuguda

Orissa – 768234; India.

Latitude - 21<sup>o</sup> 42' North

Longitude - 83<sup>o</sup> 52' East

Nearest Railway Station: Belpahar (Code: BPH); 18 Km from Generating Station

Jharsuguda (Code: JSG); 40 Km

## **2. Expression of Interest:**

OPGC invites “Expression of Interest (EOI)” from interested parties for “Supply of ash from ash dyke as well as from dry ash silo free of cost; at ITPS, Banharpali for utilization, consumption and export to other locations inside or outside India in environment friendly manner as per the guidelines of MoEF&CC and OSPCCB”. Interested parties may clearly indicate the inputs required from OPGC.

## **3. Purpose of this EOI:**

Through this EOI, OPGC intends to supply ash generated from its power stations free of cost; to interested and capable agencies for utilization and consumptions in environment friendly manner as per guidelines of MoEF& CC,OSPCB and MoP\_revised\_guidelines\_dtd\_30th\_Jan\_2026.

OPGC may, after evaluation of EOI applicants, come out with a detailed limited tender/process for **engagement of agencies for lifting and utilization of ash on free-of-cost basis** from ITPS, Banharpali on “as is and where is” basis.

## **4. Role of the Interested Parties & OPGC**

In order to promote utilization of fly ash as a resource material and to encourage fly ash utilization at IB Thermal Power Station, Banharpali, Jharsuguda, Odisha, OPGC invites EOI from potential bulk users for lifting of fly ash for use in their civil construction activities and for manufacturing of other fly ash-based construction materials.

OPGC Unit #3 & 4 is equipped with three fly ash silos of 2300 MT capacity each, with a state-of-the-art facility for loading into railway rakes and connectivity with Indian Railways. Fly ash can be loaded from the silos for transportation to different cement plants and other demand centers across India.

Loading of dry fly ash will be made available by OPGC free of cost from the silos inside the plant premises at ITPS, Banharpali.

Similarly, pond ash in dry form will be made available by OPGC free of cost at the ash pond. Interested agencies will have to arrange for loading and transportation of ash from the ash pond at their own cost.

The mode of packing, loading, transportation, and end utilization must be clearly mentioned by the interested agencies.

Ash will be supplied by OPGC free of cost. All costs towards packing, loading, transportation, statutory permissions, taxes, duties, and utilization shall be borne entirely by the agency.

The ash is being supplied strictly on free-of-cost basis and no commercial transaction, sale consideration, billing or payment of any kind shall be involved between OPGC and the agency for the ash supplied.

#### **5. Required Information**

- The prospective agencies are required to submit particulars of the firm with the background of operation & business.
- The party submitting the EOI shall be bearing all costs associated with the preparation and submission of the EOI and OPGC will, in no case be responsible or liable for these costs, regardless of the conductor outcome of the assessment/evaluation process.
- Interested parties may clearly indicate the inputs required from OPGC.
- Prospective users may submit their EOI for lifting of fly ash from the dry ash Silo or from ash pond or ash from all these sources. The offers should include the particulars of company with the background of operation, business where ash will be utilized, tentative plan, proposed quantity of ash to be utilized etc. Preference will be given to agencies who propose to off-take maximum quantity of ash on a sustained and regular basis.
- Interested agencies will transport the dry ash in environment friendly manner for utilization / consumption as per their requirement at their risk and cost.
- All the costs for transportation and utilization, necessary regulatory permissions, Taxes, duties etc as applicable will be in the scope of the agency.
- All costs towards packing, loading, transportation, utilization, statutory permissions, taxes, duties, and any other charges shall be borne entirely by the agency. OPGC shall not bear any financial liability in this regard.
- Ash will be supplied by OPGC free of cost. All costs towards packing, loading, transportation, statutory permissions, taxes, duties, and utilization shall be borne entirely by the agency.
